THE BEER AWARDS

2017 WINNERS

2018 COMPETITION OPEN FOR ENTRY NOW - ALL STAR EXCEPTIONAL BEERS WANTED!

THE BEER AWARDS ARE PLEASED TO ANNOUNCE ALL THE WINNERS FOR ITS 2017 COMPETITION!

Since launching last year, the Beer Awards has continued to highlight exceptional beers across the world.

From Wheat Beers and its citrus undertones to Amber Lager (Ales) with its caramel overtones, beer is not only an outstanding adult beverage, but now a fine art – challenging traditional methods as the years have passed.

Thirteen breweries have received the highest accolade in 2017, 5 star awards, including some phenomenal pale ales, wheat beers and a sour ale. Entries to the Awards have also tripled in certain categories compared to the previous year – continuing to fulfill the ambitions of the Beer Awards to narrate the story of beer, helping consumers make exceptional choices on the beer they purchase.
